

因應新型冠狀病毒(COVID-19)陸港澳學生無法返台就學暨本國學生居家隔離無法返校就學，國立台北教育大學提出 3 項**安心就學措施支援服務**，協助有意願進行遠距教學的教師進行同步或非同步教學。

➤ **【同步教學方式】-陸港澳生不適用**

本國師生若是因疫情關係而無法到校授(上)課時，本校提供同步教學相關措施，本校採購數套 **zoom 視訊會議軟體授權**(可接受同時 50 人進入會議室)，可臨時提供給有需要的教師申請使用，相關操作說明可參考官網的說明文件：https://zoomnow.net/zntw_zoom_step_by_step.php。另將視實際需要辦理相關說明會。

(陸港澳學生因同步通訊的會議軟體大多都遭到「網路長城」封鎖無法正常使用，故不建議採用同步教學方案。)

➤ **【非同步教學方式】-全部地區師生皆可適用**

1. 使用 EverCam 錄製電腦畫面與教師聲音，並上傳至本校教學魔法師平台或智慧大師平台進行影音互動教學

考量錄製影片的便利性與不影響教師原有授課模式，建議老師可透過 EverCam(手機或平板自行錄影亦可)方便教師錄製簡報教材的內容並收錄麥克風的聲音，相關的操作說明可參考 EverCam 官網操作說明：<https://tw.formossoft.com/km/20>，另將視實際需要辦理相關說明會。產出錄影檔後再上傳至本校教學魔法師教學平台或智慧大師教學平台供陸港澳與本國學生使用，目前已確定於中國可以順利連線到本校教學魔法師教學平台(不含 Google Drive 檔案教材與 youtube 影片)與智慧大師教學平台。

2. 直接使用本校教學魔法師教學平台或智慧大師教學平台上傳教材、指派作業、課程討論、課程公告與學生進行線上互動

本校教學魔法師教學平台與智慧大師教學平台皆提供教師上傳教材、指派作業與課程討論、課程公告等功能，教師可直接於平台上與學生進行非同步的線上互動教學，掌握學生學習情況與學習歷程，有關教學魔法師或智慧大師的使用支援服務，請洽詢本校計中。

In response to China, Hong Kong, and Macao students not being able to return due to the recent outbreak of COVID-19, National Taipei University of Education (NTUE) has provided 3 support services for reassurance of schooling measures to assist teachers who are willing to use distance learning by synchronous or asynchronous instruction.

➤ **Synchronous online learning- excluding who live in China, Hong Kong and Macau.**

NTUE provides several sets of video conference software –zoom(One meeting room allows 50 people at the same time) for teachers in need to apply for use, please refer to relevant operating instructions <https://support.zoom.us/hc/en-us>.

(Due to the "Great Firewall" blocks access to selected foreign websites and slows down cross-border internet traffic, those who live in China, Hong Kong and Macao cannot access synchronous online learning)

➤ **Asynchronous online learning- Universal worldwide**

1. NTUE teachers could use **EverCam** to record computer screens and teacher voices, and able to upload them to iMagic E-learning or Wisdom Master E-learning for interactive teaching and learning.

For **EverCam** operating instructions, please refer to the official website <http://www.formosasoft.com/>.

2. NTUE Teachers could use our iMagic E-learning or Wisdom Master E-learning to upload teaching materials, assign work, conduct course discussions, release course announcements and interact with students directly.
